This event will be held January 14th, 2016.

Entry Fee:

The entry fee is the weekly "buy-in" of \$15 per player, inclusive of the Pros.

Signup Deadline:

Sign up on the Men's Club website by 5:00 pm on Monday, January 11th, 2016.

Qualification Requirements:

All members in good standing are eligible to participate as members of the Amateur team. The golf General Manager will assemble the Pro Team.

Format:

The Pros' will compete against all Amateur Teams, with the Pro Team's handicap set at zero/scratch/zilch. Each Amateur team's handicap will be 12.5% of the sum of the 4 player's individual handicaps. (16.67 % of the sum of 3-person teams). Team handicaps will be rounded up to the nearest whole number.

The format for both the Pro and the Amateur Teams: All four players tee off on each hole and decide which tee shot they like best and mark the spot. All players will place their golf ball within one club length of the selected "spot", and hit a second shot, and continue with this protocol until reaching the green. Upon reaching the green, the team will again pick the best spot, and each player will place their ball within 6 inches, and attempt to make the putt. The Team must hole out a putt to complete the hole.

All teams, including the Pros, must use a minimum of 4 drives from each player on the team during the round. If, for the Amateurs only, a team has only three players, each of the players must have a minimum of 5 drives. In the case of three players, the team may choose to have a team member hit two shots from where the drive landed, and a second shot and/or putt from each subsequent location until the ball is holed out.

Amateurs will play from the White tees. Pros will play from the Black tees.

Payout:

The Pros are competing against all teams in each Flight, whether there are four, five or six flights. Should the Pro Team beat the lowest Net score of a Flight winner, the Pro Team will "win" 25% of that Flight's combined "honey-pot", with the 75% balance of the "pot" distributed

among the top teams in that Flight as per normal allocation. The Pro team will be competing against each Flight in this manner, with the potential of winning 25% of each pot, OR being skunked as in the past.

Hole-in-One:

Any amateur golfer scoring a hole-in-one during this event will be entitled to receive the proceeds in the Hole-in-One Insurance Fund, providing the golfer had previously contributed his \$5 entry fee. The Men's Club will not provide any additional subsidy.
