Calendar Notations Legend:

- CUP = Designated as a AI Hodgkins Cup Event

AI Hodgkins Cup competition runs over 15 Men's Club Thursday events. This season long competition is to determine the top sixty-four (64) players with the highest money winnings in the Thursday Men's Club events (exclusive of Hole-In-One payouts, closest to the pin (KP) payouts, and the Club Championship) during the golf season. The top 64 money winners will qualify for the AI Hodgkins Cup Tournament. The lowest NET score for the Tournament will be awarded the AI Hodgkins Cup. This will be a White and Green tee event. Handicaps will be based on the player's LOWEST handicap index (HI) for the prior six (6) months. Green tee participants will use their Green tee handicap reduced by three (3) strokes when computing the lowest Net score for the AI Hodgkins Cup winner.

- T = Designated as a Tournament Score

Three events (four rounds of golf): "*December to Remember*" event on December 7th, 2017; the "*Happy New Year's Tournament*" on January 11th, 2018; and the "*Club Championship*" held March 15th and 16th, 2018. The *December to Remember* and *Happy New Year's* events will both have \$150 "added", with each Flight Winner receiving a pro-rata share, the amount dependent upon the number of Flights.
